

## CALL FOR CONSULTANCY SERVICES

### Consultancy services required

To conduct **Performance Evaluation Assessment** of a USAID's Bureau for Humanitarian Assistance funded project titled: **Integrated Nutrition, WASH and Protection project**

Project sites: *Bulilima and Mangwe*

Partners: *Organisation for Rural Association for Progress (ORAP)*

#### The consultant/consulting firm will be responsible for:

- Conducting the evaluation survey i.e. implementation, validation, dissemination of findings.
- Develop the inception report and data collection tools for the evaluation survey. Based on experience, the consultant is expected to refine the methodology of evaluation survey.
- Engaging with target communities and relevant stakeholders to gather insights, data and perspectives about the intervention project in the country abiding with SCI safeguarding standards and BHA standards.
- Ensuring that the evaluation design is culturally sensitive, community contextualised and inclusive of diverse voices including people with disabilities.
- Presenting the final results of the evaluation survey in clear, actionable format with measurable outcomes and impact indicators.

We look forward to receiving proposals from highly qualified consultants/consulting firms who are passionate about child rights and well-being of key populations in humanitarian crisis.

#### Commercial requirements

- Tax clearance certificate
- Certificate of incorporation
- CR14 Certificate

Detailed TORs are accessible [here](#). Alternatively, TORs can be requested through the email provided below.

Interested bidders must submit Technical and Financial proposal including resumes of consulting team **on/before 0000hrs on 14 July 2024** to [zimbabwe.tenders@savethechildren.org](mailto:zimbabwe.tenders@savethechildren.org) with '**Performance Evaluation Assessment for Integrated Nutrition, WASH and Protection project**' in the subject. All proposals to be addressed to the 'Procurement Committee'. All late bids will automatically be disqualified.
